NutraLife AI

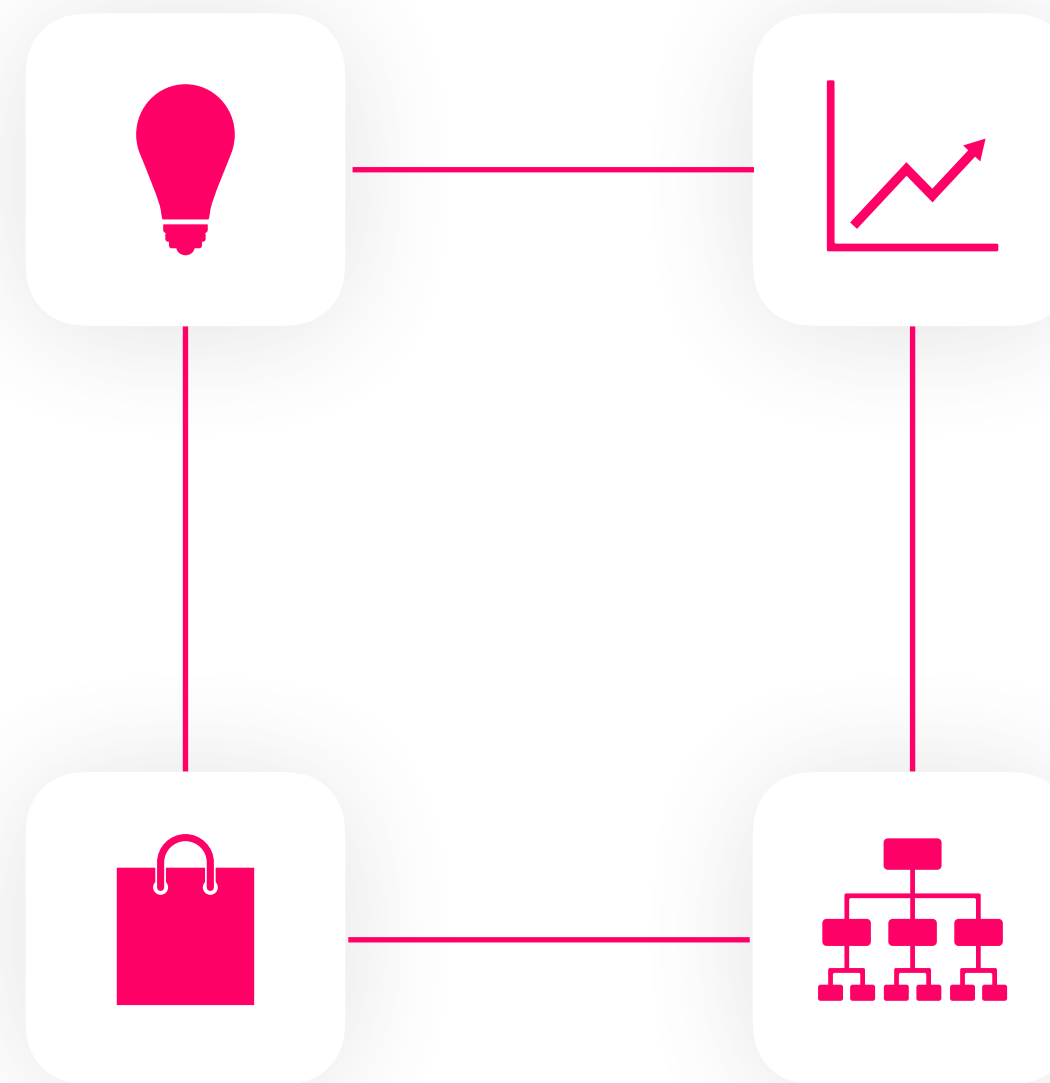

Legacy through The Hub-NFT A Digital Inheritance

The Hub Console is set to transition into an NFT
Here are the benefits:

This Hub Console will genuinely be a digital asset, truly owned by you.

You will have the opportunity to acquire as many of these assets as you desire, without any limitation.

You'll possess the freedom to sell it as you see fit, opening avenues for potential profit.

For the first time, this presents a unique opportunity to create a lasting legacy for your offspring, enabling them to inherit your digital assets.

VyvoPay & Odee Rewards

Ignite your earnings with $\nu\nu\nu$ and **odee** Rewards Program!
Each community purchase, online or in-store, fuels your USDV rewards.
Experience the rush as your benefits soar!

EXAMPLE

Note: Pricing in USD;
Please be informed that the accumulated transaction amount in the Hubs represents 10% of the actual transaction amount spent by users utilizing the VyvoPay Card;
