

We're building the
future of the
Cryptocurrency,
stable, reliable and
always available

odee

Who Are We?

- Founded in 2023 with a mission of crypto adoption, Odee Digital is a payment solutions provider that seamlessly connects fiat and crypto economies for global consumers, merchants, developers, and institutions.
- Our ramp and payment solutions provide merchants, Web3 platforms, and dApps with an easy payment gateway from fiat to digital assets and vice versa.
- We offer the most diverse payment methods in the market - including Apple and Google Pay, and domestic mobile wallet payments. Giving users a variety of options that suits their needs and demographics.
